GOVERNMENT OF BOMBAY.
REVENUE DEPARTMENT.
CIRCULAR NO. 378/49.
Bombay Castle, 11th September 1950.

CIRCULAR ORDER.

In pursuance of the policy to decentralise work and responsibility, Government has already issued orders delegating some powers to Collectors which were being exercised by the Commissioner or by Government. It has now been decided that leave upto two months and arrangements necessary in consequence of grant of such leave should be sanctioned by the Collectors concerned to Mamlatdars and other Revenue Officers in that grade under them, In future, therefore, the Collectors should sanctioned leave upon two months to all such officers and promote the seniormost Aval Karkun available in the districts itself in the temporary vacancy. The Collectors should also sanction extension of such leave upon a total period of three months. The postings on return from leave in such cases should also be decided and arranged for by the Collectors who should merely intimate to Government these leaves and repostings for the information of Government, so that the records in Revenue Department of these officers could be maintained upto-date. In the matter of sanctioning leave, there should be one exception and that is when an officer so asking for leave in excess of 15 days has been in that post and/or in the same district for over two and half years his application for leave should be submitted to Government for orders, since the officer will than be due for transfer out of the District and Government will have to make arrangements for a substitute Applications of Mamlatdars for leave in excess of three months must be made or submitted to Government at least three weeks in advance. Government is further pleased to order that leave upto 15 days may be sanctioned by Collectors to their Prant Officers also and in such cases no substitute should be appointed but either the Collector should himself hold the charge or some other Prant Officer in the same district should be asked to be hold the additional charge. Similar considerations will apply to Mamlatdars proceeding on

on 15 days' leave also and a xxx substitute should not be appointed, but the senior Aval Karkun in the Taluka should be asked to hold the additional charge.

2. Collectors are requested to consider similar delegation of powers to Prant Officers and Mamlatdars in respect of Government servants upto the rank of Aval Karkuns working in their offices e.g. Mamlatdar can be delegated power to sanction leave upto two months to Aval Karkuns, clerks, Circle Inspectors, Talathis if they are not due for transfer and make temporary arrangements by promiting the seniormost qualified clerks, or appointing a candidate as the case may be.

3. These orders should take immediate effect.

By order of the Governor of Bombay,

(V.N.SARDESAI),
Secretary to Government.
